

Lydford NHW

Summary of Objectives of Neighbourhood Watch

- To reduce crime
- To assist police in the of detecting crime
 - To reduce undue fear of crime
 - To improve police/community liaison

The police do not run NHW schemes, they only support them.

Your NHW Street Contact will -

- Ideally know who lives in their own specific area.
- Introduce themselves to newcomers and tell them about the scheme – encouraging them to receive email information. *
- Inform residents about any crimes or potential threats in the local vicinity.
- Encourage vigilance and reporting of suspicious activities or concerns.
- Be available to listen to people's concerns and offer support as appropriate.
- Keep an eye on vulnerable residents.
- Encourage residents to security mark their property.
